It is important that you read this Financial Services and Credit Guide (FSCG). It contains information that will help you decide whether to use any of the financial services offered by us, as described in this guide, including:

- who we are and how we can be contacted
- the advice and services we provide
- information about our licensee AMP Financial Planning Limited (AMP Financial Planning)
- our fees and how we, your adviser and AMP Financial Planning, are paid in connection with those services
- how we manage your private information

## Documents you may receive

We will provide you with a number of documents as you progress through our financial planning process to capture each stage of your advice journey. We may provide these documents to you electronically to your nominated email address, unless otherwise agreed.

When we provide personal advice, it will normally be documented and provided to you in a Statement of Advice (SoA), known as a financial plan. The financial plan contains a summary of your goals and the strategies and any financial products we may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits we and others will receive, as a result of the advice we have provided.

If we provide further personal advice a financial plan may not be required. We will keep a record of any further personal advice we provide you for seven years. You may request a copy of such records by contacting our office during that period.

When we provide credit advice we will conduct a preliminary assessment to determine the suitability of a particular product. This is normally documented and provided to you in a record of debt advice or a Credit Proposal. We will retain a record of the debt advice or Credit Proposal which you may request by contacting our office within seven years of the assessment. We will only provide recommendations to apply for a particular credit contract with a certain lender or increase the credit limit of a particular credit contract where the contract meets your needs and objectives and is not unsuitable to your circumstances.

If we recommend or arrange a financial product for you we will provide a product disclosure statement (PDS) or investor directed portfolio service (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks as well as the costs you will pay the product provider to professionally manage that product.

You should read any warnings contained in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

# About our practice

## Tax implications of our advice

Under the Tax Agent Services Act 2009, Hopscotch Wealth, trading as Hopscotch Wealth is authorised by the Tax Practitioners Board to provide tax (financial) advice services on matters that are directly related to the nature of the financial planning advice provided to you. We will not consider any other tax matters in our advice to you. Where tax implications are discussed they are incidental to our recommendations and only included as an illustration to help you decide whether to implement our advice.

## Transaction services

If you do not require advice, we can also arrange for you to apply for limited types of financial products where we can take your instructions and arrange for the transaction to be completed, without providing personal advice. If you wish to proceed without our advice, we will ask you to confirm your instructions, which we will document in writing. You can ask us for a copy of this documentation at any time.

## Your relationship with us and using our services

You can contact us directly with any instructions relating to your financial products. This includes giving us instructions by telephone, mail or email. We can only accept your instructions via email once you have signed an authority form.

We will work with you to agree what advice and services we will provide and when and how often we will provide them.

Where you agree to ongoing advice and services, the details will be documented and provided to you in a service agreement. This includes the frequency of contact between us, service standards that may apply, any ongoing fee arrangements and how the service can be terminated.

If at any time you wish to terminate your relationship with us, please contact us using the details shown in this guide

## Changing service providers

To ensure that you are provided at all times with ongoing servicing to meet your financial needs, we may transfer our rights and obligations under this servicing arrangement to another adviser or financial planning practice within the AMP network or to another AMP licensee (the new service provider). If we do this, the new service provider will provide the ongoing servicing to you and will be entitled to the agreed ongoing fees. We'll write to you in advance of a transfer occurring, to introduce your new service provider and offer an opt out option. If we don't hear from you within a set period after receiving the letter, you will be taken to have agreed to the new servicing arrangements with the new service provider. The new adviser will then take over the rights and obligations on the same terms and conditions set out in this servicing arrangement and we will be released from those rights

and obligations. You may notify your new service provider at any time if you want to vary or end your servicing arrangements.

## Providing information to us

It is important that we understand your circumstances and goals, so that we can provide you with appropriate advice and services. You have the right not to provide us with any personal information. Should you choose to withhold information, or if information you provide is incomplete or inaccurate the advice or services we provide you may not be appropriate for you.

It is also important that you keep us up to date by informing us of any changes to your circumstances, so we are able to determine if our advice continues to be appropriate.

## Our fees

The fees charged for our advice and services may be based on a combination of:

- A set dollar amount; or
- A percentage based fee.

Our agreed advice and service fees may include charges for:

- Initial advice; and
- Ongoing advice.

Please note that for services in relation to insurance, banking deposit products, some loan products and older investment products, commissions may be paid by the product provider as follows:

- Initial commission - a percentage of the value of your investment contributions, loan balance or insurance premiums; and
- Ongoing commission - a percentage of the value of your investment balance, outstanding loan amount or premiums, usually calculated at the end of each month in which you hold the investment or loan, or on renewal of insurance products.

### Payment methods

We offer you the following payment options for payment of our advice fees:

- BPAY, direct debit (savings), credit card or cheque; and
- Deduction from your investment.

All fees and commissions will be paid directly to AMP Financial Planning as the licensee. They retain a percentage (as a licensee fee) to cover their costs and the balance is passed on to us. The percentage is determined annually, based on a number of factors, including our business revenue for the prior year.

For details of our service fees, please refer to **Schedule of fees** on page 17.

### Other costs

Where other costs are incurred in the process of providing our advice and services to you, you will be liable for these costs. However, we will agree all additional costs with you prior to incurring them.

## Other benefits we may receive

The following is a list of benefits we may receive other than those explained above. These are not additional costs to you. These benefits may be monetary or things like training, events or incentives we are eligible for.

In addition to the payments we may receive for our advice and services, we may receive other support services from the licensee. We may also be eligible to receive financial and training assistance, prizes and awards or events in recognition of financial planning excellence and innovation, and business performance. These benefits are paid at the licensee's discretion and the amounts are set by the licensee from time to time (usually on an annual basis).

We may also participate in business lunches or receive corporate promotional merchandise tickets to sporting or cultural events and other similar items.

### Development, management and advice recognition

We may be eligible for Development management and advice (DMA) recognition payments based on our performance relative to other AMP Financial Planning practices in the previous year. Up to 30% of all AMP Financial Planning practices may be eligible for DMA payments.

The DMA payment is based on a percentage of our practice revenue. Our DMA percentage will be set annually and may range from 0% to 10% depending on our ranking. The relevant percentage is then applied to our practice revenue and the resulting payments are received twice a month. (the "payment period")

For example, if our DMA is set at 3% and our revenue for the payment period was \$8,500, we would receive  $\$8,500 \times 0.03 = \$255$ . Assuming an average revenue of \$8,500 per payment period, the total DMA payment received in a year would be  $\$255 \times 24 = \$6,120$ .

### How our performance is ranked

Ranking of practices is determined yearly by a points system which is a broad measure of the growth and professionalism of our practice as compared to other practices in the AMP Financial Planning. The points system is based on a combination of factors within a balanced scorecard such as the quality of our services, compliance, our business goals and our engagement with our clients through a measure called Advice Growth Index (AGI). AGI measures the value of our fee for service revenue and the change in our clients' product holdings over the prior measurement period (usually a period of approximately 12 months)

### Business growth advice payments

All practices within the AMP Financial Planning network are eligible for Business Growth Advice (BGA) payments. The payments are based on our practice revenue.

BGA payments are set at 1% of our practice revenue. Payments are received twice each month. For example, if our practice revenue was \$8,500 in a payment period, we would receive  $\$8,500 \times 0.01 = \$85$ . Assuming an average revenue of \$8,500 per payment period, the total BGA payment received in a year would be  $\$85 \times 24 = \$2,040$ .

### Business buy-back option

If we leave the financial services industry or can no longer appropriately service a selection of our clients, and cannot find a buyer, AMP Financial Planning will either look after our clients or appoint one of its authorised representatives to do so.

If this happens, AMP Financial Planning may buy back our business. The amount will vary depending on a number of factors including, our reason for leaving the financial services industry, the time our business has been established, the annual recurring revenue (both actual and any deemed revenue) of our practice and the quality of our previous advice.

## **Personal and professional development**

AMP Financial Planning provides personal and professional development opportunities in the form of a multi-tiered development program, offered annually to qualifying practices.

### **Summit**

The Summit is a national convention available to advisers from all AMP Financial Planning practices. AMP Financial Planning subsidises the expenses of those who attend the convention up to a maximum value of \$1,200 per annum per practice.

### **Mid-tier and base-tier study tours**

AMP Financial Planning will subsidise the cost of our participation in certain personal and professional development programs if we meet specific qualification criteria. The qualifying criteria is based on a combination of factors including the quality of our services, our business goals and our ranking against other practices in AMP Financial Planning. The maximum amount of this subsidy is \$12,000 per annum per practice.

### **Amicus program**

In addition to the above, certain practices that meet additional qualification criteria will be eligible to participate in the Amicus program, an additional personal and professional development program organised by AMP Financial Planning. The additional qualification criteria require long term achievement of the mid-tier study tour criteria. If a practice qualifies for the Amicus program, AMP Financial Planning will subsidise the cost of their participation up to a maximum value of \$15,000 per annum per practice.

### **Para-planning costs subsidy**

We may be eligible for a subsidy from AMP in relation to paraplanning, depending on the number of paraplanning requests that we make in a particular month. If your practice submits a minimum of 5 paraplanning requests per eligible authorised representative in our practice, we receive a discount of up to 25% in relation to these costs. For example, if the total cost of 5 SOAs is \$1,000 we will receive a discount of up to \$250 ( $25\% \times \$1,000 = \$250$ ) and pay a discounted fee of minimum \$750.

### **Placement fees**

From time to time AMP Financial Planning will receive fees from brokers or product issuers (including AMP group companies) for arranging client participation in Initial Public Offerings (IPOs) of securities (such as shares and rights issues). The fee, which is generally a percentage of the fee paid to the broker, varies from offer to offer and by the level of participation by AMP Financial Planning. We may share in this fee based on the level of participation by our clients

## Commissions

I do not receive commissions on investments through new superannuation, managed funds or retirement products. However, some products, particularly older products, may attract commissions.

Any commission amounts will be disclosed to you when providing my advice. The following table is a guide of commissions I may receive.

| Product type   | Initial commission   | Ongoing commission   | Example  |
|--|--|--|--|
| Insurance (including those held within superannuation) | Up to 88% of the first year's premium.   | Up to 22% of the premium each following year.  | In 2018, if your insurance premium was \$1,000, we would receive an initial commission of up to \$880. We would receive an ongoing commission of up to \$330.00 pa.  |
| Loans  | Up to 1.65% of the initial loan balance, of which AFG retains between 0-3% and passes the remaining 97-100% on to AMP Financial Planning. AMP Financial Planning then retains 0% and we will receive the remaining 100%. | Up to 0.55% of the outstanding loan balance each year, of which AFG retains between 0-3% and passes the remaining 97-100% on to AMP Financial Planning. AMP Financial Planning then retains 0% and we will receive the remaining 100%. | If your loan balance was \$100,000, initial commission would be up to \$1,650, of which AFG retains up to \$49.50 and AMP Financial Planning receives \$1,600.50. AMP Financial Planning then passes (\$1,600.50 x 100%) \$1,600.50 on to us. On an annual basis, the commission on a \$100,000 loan balance would be up to \$550, of which AFG retains up to \$16.50 and AMP Financial Planning receives \$533.50. AMP Financial Planning then passes (\$533.50 x 100%) \$533.50 to us. |
| Deposit bonds  | Up to 22% of the deposit bond fee, of which AFG retains between 0-3% and passes the remaining 97-100% on to AMP Financial Planning. AMP Financial Planning then retains 0% and we will receive the remaining 100%.       | N/A  | For example, if your deposit bond fee is \$400, the commission would be up to \$88, of which AFG retains up to \$2.64 and AMP Financial Planning receives \$85.36. AMP Financial Planning then passes (\$85.36 x 100%) \$85.36 to us.  |

All fees and charges include GST.

\*Commissions on policies applied for prior to 1 January 2018 and issued before 31 March 2018 will not be subject to this limit.

If an agreed advice fee is charged then we may rebate all or some of the commission.
